Question line #10

I have been unable to completely close the bank accounts at United Southeast Federal Credit Union as there is still a balance owed on the VISA through them. The end of month balance was \$7,425.43 and I am attaching a copy of the end of march statement showing this balance and the account activity.

Question line #14

I have some hospital bills from being in ICU at Franklin Woods Hospital (part of Ballad Health) for excessively high blood pressure and various heart tests. I am still waiting to see what my health insurance pays and what amount I may owe from the various deductibles. Originally the hospital called and said I owed \$5,990, but I requested they double check the amounts and make sure they filed it with Blue Cross Blue Shield and not my previous health insurance. I have not yet received a bill for what portions I may owe for deductibles and co-pays.
